The facts of the case are these:-

On 12th March 1927 the election of a member to the Representative Assembly from the Sringeri Jaghir was held, the Polling Officer being Mr.V. Narasimhiah, the Deputy Amildar. The Polling Officer in his proceedings dated 12th March 1927 (Flag A) declared that 157 voting papers were issued. Of these 156 were found in the box and one outside the box. Of the 156 votes he declared 23 as invalid and of the remaining 133 votes Mr. Padmarajiah had secured 63 and Mr. Rameswara Sastry 70 votes. He therefore declar Mr. Ramaswara Sastry as duly elected. The petitioner then preferred an objection petition before the Deputy Commissioner of Kadur alleging that 24 votes had been declared as invalid by the Returning Officer ~~out of which~~ 14 ~~of~~ which either the name of the opponent or the symbol assigned to him had been scorded out and that if these were taken into his account he would get a higher number of votes than his opponent and prayed that the election might be set aside. His petition is Flagged B. On the 24th March 1927 the petitioner made a statement before the Deputy Commissioner (Flag C) in which he urged that the matter might be disposed of by a scrutiny of the voting papers. The Deputy Commissioner accordingly scrutinised on 8th April 1927 in the presence of both the parties

and Mr. K. Krishna Rao, counsel for Mr. Rameswara Sastry. He found that 8 votes in favour of Mr. Padmarajiah and 9 in favour of Mr. Rameswara Sastry were valid in accordance with the instructions issued in Government letter No.3981-90 date 16th March 1927 (Flag F). Adding therefore thes votes to the respective parties he found Mr. Padmarajiah getting 63 plus 8 or 71 votes against Mr Rameswara Sastry getting 70 plus 9 or 79 votes. Mr. Rameswara Sastry having therefore got higher number of votes he confirmed the results of the election held by the Polling Officer.

In his appeal memo filed before Govt the contention of Mr. Padmarajiah is that 3 votes recorded in favour of Mr. Rameswara Sastry and declared as valid by the Deputy Commissioner should be looked into for verifying whether they are really valid or not. In the annexure to his appeal memo Mr. Padmarajiah has given an illustration of the voting papers he refers to. Numbers 1 and 2 of the annexure are voting papers Nos.120 and 50 declared as valid in favour of Mr. Rameswara Sastry. In voting paper No.120 the name of Mr. Padmarajiah has been scored out and in 50 the name of Mr. Rameswara Sastry has been scored out & a Cross is made against Mr. Rameswara Sastry. Neither the name of Mr. Rameswara Sastry nor the Symbol against his name has been touched. It would therefore appear that both these were valid. At any rate these

GPB—5,200—30-3-27

two cannot be counted in favour of Mr. Padmarajiah It is not possible to trace out the third of the voting papers he refers to in the annexure.. His next contention is that the 8 voting papers declared as invalid by the Deputy Commissioner -- should be declared as valid and in his favour. The first paper No.99 contains a line which does not score out neither the names nor the symbols of the two candidates and it is undoubtedly --- invalid. In No.52 there is some writing against the name of Mr. Padmarajiah and there is a line drawn under the name of Mr. Rameswara Sastry. It is doubtful whether this can be declared as valid. In 104 three lines are drawn not touching either the names or the symbols of the candidates. This is undoubtedly invalid. In 44 there is only a cross against the symbol of Mr. Padmarajiah - neither ~~the~~ of the name has been scored out. There is however a slight bluish line against the elephant. It is not clear. In 88 there are two lines ag against the symbol of Mr. Rameswara Sastry. In 103 there is a line under the name of Mr. Rameswar Sastry. No.117 was the voting paper found outside the box and so it is invalid. Now of -- these papers as stated above Nos.99,52, and 104 are undoubtedly invalid. Nos.44,88 and 103 are doubtful. Even if they are taken as valid 44 -- goes in favour of Mr. Rameswara Sastry, 88 and 103 go in favour of Mr. Padmarajiah.

GPB—5,000—30-3-27

Serial No.

The result will therefore be that 2 votes out of those declared as invalid will go in favour of Mr. Padmarajiah and one in favour of Mr. Rameswara Sastry. Even if the 2 votes contended by the appellant as invalid and should not go in favour of Mr. Rameswara Sastry are declared invalid Mr. Rameswara Sastry will get none vote less than the number declared by the Deputy Commissioner, that is, he will get 78 votes and Mr. Padmarajiah will get 2 votes more, that is 71 plus 2 or 73.

Two other contentions not put forward before the Deputy Commissioner at first are the following:-

(i) that one Putti Heggadthi who was not at all a voter was brought forward to vote for one deceased Putti Heggadthi. The Deputy Commissioner says that he had issued summons to this Putti Heggadthi but did not examine her as she pleaded her inability to attend the court;

(ii) that Mr. Padmarajiah refers to a dispute which is alleged to have occurred near the polling station at the time of the ballot and the Deputy Commissioner having ordered the Sub-Division Officer of Tarikere for an enquiry and report, the latter officer found that the allegations ~~borne out that the complaint was~~ set up. These two incidents did not affect the results of the election.

Flag H refers to records relating to the enquiry by the Tarikere Sub-Division Officer.

I have gone thro' the voting papers. I agree with the D.C. as regards his decision regarding the valid votes for both parties. As regards those declared by him to be invalid, I think 2 are valid for P. Setti & 1 for R. Sastri. This does not materially affect the result of the election as R. Sastri still got the largest no. of votes.

Copy of order passed in Election petition No. 3 of 1926-27.

Petitioner : vs : Counter petitioner

C. Padmaraj aiah-Sringeri — Rameshwara Sastry

Dated this 8th day of April 1927.

Present: M. V. Ramaswami Esqr. M.A, B.L.

Deputy Commissioner: Kadur

Order

Both parties and Mr Krishna Rao present. The Counsel for Counter-petitioner urged on the last hearing date —

(i) That the objection petition was not prosecuted in person but was sent by post and has not been stamped.

(ii) That the statement on oath should have been made then and there immediately on receipt of petition

(iii) That the said petition was not

not accompanied by Rupees 100/- which amount has been credited later.

These are merely technical objections which should have been considered by the then Deputy Commissioner who has already ordered the opening of the Voting box. I do not think it is necessary for me to consider at this stage those objections which afterall are not very material in nature.

Mr Krishna Rao also urges today-

(i) That the Deputy Commissioner has no power to open the box.

(ii) That the direction of Government re-counting of Votes dated 16-3-1927 has no

no ~~any~~ retrospective effect.

For the purpose of a Summary enquiry Vide Section 6 (a), the opening of the box is obviously essential. The Government order dated 16.3.27 is only explanatory. There is no question of any retrospective effect in it. So I hold these objections also to be immaterial.

Order.

The ballot box was re-opened in the presence of both the parties and the 24 "invalid" Votes Scrutinised again in their presence. Of these I found only 7 to be really invalid, the intention of the Voter not being clear.

The exclusion of this vote will make no difference in the result as the Counter-petitioner has a majority by 8 votes: So my finding is that there is no necessity to modify the result that has been already declared.

of His Highness the Maharaja of Mysore,
Law Department *Bangalore.*

SIR,

With reference to your letter No.1743 dated the 4th instant, calling for report with records on the petition of Mr.Padmarajiah of Sringeri, appealing against the order passed by me in Election Case No. 3/26-27, I have the honor to state as follows:-

2. The petitioner Mr.Padmarajiah and another Mr.Rameswara Sastry stood as candidates for election to the Representative Assembly from the Sringeri Jaghir Rural Constituency. The former secured 63 votes and the latter 70. The Deputy Amildar of Sringeri who was the Returning Officer accordingly declared the latter Mr.Rameswara Sastry as having been duly elected- (vide flag 'A').

3. The petitioner thereupon sent a petition to this office by post on the 15th March 1927 alleging that 24 votes had been held by the Returning Officer to be invalid, in 14 of which, either the name of the opponent or the symbol assigned to him had been scored out, and that if these were to be taken into account, he would get a higher number of votes than his opponent, and prayed that the election might be set aside on a scrutiny of the voting papers. As under Rule 4 of Govern-

ment

Government Notification No.P.2400/Legis.12-23-7 dated 7th November 1923, the petition was required to be supported by a statement --- made on oath by the petitioner, a notice was issued to him to appear In this office on the 23rd March 1927 for further proceedings being taken in the matter. My predecessor- Mr.Heblikar recorded the -- statement of the petitioner on the 24th idem in which the the petitioner urged that the matter might be disposed of by a scrutiny of the voting papers by having the ballot box opened (flag 'C').

4. A notice was thereupon issued to the opponent Mr.Rameswara Sastry to appear on the 6th April 1927 and furnish his explanation as required under Rule 6 of the aforesaid Government Notification. After obtaining the said explanation and hearing the arguments on both sides, I had the ballot box opened and the 24 invalid votes -- scrutinised again in the presence of both the parties. It was found that 8 votes in favour of the petitioner and 9 in favour of the -- opponent which should have been admitted as per Government letter No.3981-90 dated 13th March 1927 had been improperly excluded. This scrutiny resulted in the petitioner getting in all 63 plus 8 or 71 votes against 70 plus 9 or 79 on behalf of his opponent, and ---- accordingly, for reasons fully set forth in my order, I recorded the finding that no modification of the result already declared was --- called for. It is against this order the petitioner has appealed.

5. In regard to the petitioner's allegation (not contained in his first petition but made in the statement recorded by Mr.Heblikar (flag 'C') that one Puttd Heggadthi who was not a voter, came and -- voted in favour of the opponent, it has to be stated that though --- notice was served upon her to appear on the hearing date, she did not come, for reasons mentioned by her on the back of the notice (flag ''

6. The petitioner in his appeal petition refers to a dispute

between

between the Polling Officer (Deputy Amildar) and a certain Patel at the time of the elections, and states that as a consequence of it, some voters who had come to vote for the petitioner went away without recording their votes. The Deputy Amildar in his report (Pe.7.) No.142 dated 16th March 1927 in the file, states that Thammiah Heggade Patel of Kalkuli was quarrelling with some one in front of the Polling Office, and that this incident did not affect the voters present. In fact, this Patel Thammiah Heggade wired to this office on the -- 12th March 1927 alleging that the Deputy Amildar and Polling Officer abused him before the associates at the time of voting and that -- enquiries be made in the matter. This was referred to the Sub-Division Officer, Tarikere, for enquiry and report on the 14th idem. He had also sent a wire to the Dewan and it was sent to this office for (Pe. 9.) disposal, with your letter No.3961 dated 15th March 1927. The Sub-Division Officer examined all the persons cited by the Patel and -- held that the allegations made by him are not borne out by their --- statements, and that the complaint is probably set up by certain --- people to make much of a small incident. The records relating to this matter received with the Tarikere Sub-Division Officer's No.Gl. (Pe. 11.) 6689/23-27 dated 6th April 1927, are herewith submitted for perusal and return when done with.

7. The other allegations of the petitioner call for no remarks.

8. The records of enquiry relating to the case as also the --- enclosures received with your letter under reply are also herewith submitted.

I have the honor to be,
Sir,
Your most obedient servant,

H C Ramachandra

Deputy Commissioner,
Kadur District.
